

Chris Brewer: In 2016 Chris Brewer was diagnosed with Hodgkin’s Lymphoma and immediately began treatment at Moffitt Cancer Center. Under the watchful eye of Dr. Julio Chavez Chris underwent 8 rounds of Chemotherapy and 3 weeks of radiation. In December of 2016 he was given the great news that his cancer was in remission. During his recovery, Chris fell in love with cycling and tries to ride over 150 miles per week. He is passionate about helping others and is currently a Volunteer Coordinator for “Tampa Pig Jig” which raises funds for Nephcure Kidney foundation, a Coordinator for First Presbyterian Tampa’s “Serve Day”, and a Board Ambassador for the American Cancer Society.

When he isn’t serving others, he works as a National Account Executive for Viventium Payroll Software. He received a B.S. in Communications (2005) from Wingate University where he was an All-American Placekicker/Punter. After graduation, he spent several years with the Canadian Football and American Arena Football leagues. Chris has spent over 10 years working in the Payroll/HR software field helping companies consolidate processes. He is also the proud father to two girls (with a third on the way) and husband to Whitney.
